INVITATION

We are pleased to invite Principals, IQAC co-ordinators, members of IQAC and teaching faculty of colleges for the one day workshop on Quality Initiatives for Curriculum Delivery & Documentation for NAAC on 20th March 2019 being organized by the IQAC, Sahakar Maharshi L. Bhaskarrao Shingne Arts College, Khamgaon.

About the College

Sahakar Maharshi L. Bhaskarrao Shingne Arts College, Khamgaon established in the year 2000, caters predominantly to students from rural areas around Khamgaon. Accredited with C grade by NAAC in 2016, we realized the need to take up quality enhancement initiatives in all aspects of our institutional life. Committed to our vision for providing employability skills to students, the college has started UGC approved Vocational Degree Courses affiliated to Sant Gadge Baba Amravati University, Amravati.

About the Workshop

In the era of digitalization, the teaching faculty needs to look beyond using PPPs as ICT teaching tools. The workshop focuses on the use of versatile, effective yet easy ICT teaching - learning methods besides outlining other student - centric activities.

Also, the importance of effective documentation for the revised system of assessment by NAAC needs no emphasis. The workshop seeks to outline userfriendly, effective means of document creation, presentation, retrieval and report generation like Google Forms, Google Docs, Google Slides and Google Sheets.

We expect an open session on SSR and AQAR preparation will provide much needed guidance from the expert panel to the delegates.
